

Dear Mom + Dad,

10 May 68

I am at Pleiku. The 4th Inf. division is here. That is the same division Wayne Wagenfeld was in. It is so dirty here you can't possibly stay clean.

I am going to go through a 5 day training program to orient me to this part of Viet Nam and to familiarize me with the North Vietnamese Army (NVA).

There are no Viet Cong (V.C.) around here. It is all NVA. The NVA. don't use booby traps.

Tuesday night I will ship out to the field with my unit.

I'm sorry my letters are so short, but there is nothing around here worth writing about. The only good thing that I will ever see here is May '69.

I still don't have a permanent address. I will have one Tuesday night.

Love
Bob
