Dear Bob,

Will send this airmail.

July 4

Dear Mom,

In the past 2 days
I have recieved 6 (SIX)
packages. From now on
please limit to 1 a week.
I can't carry all this wonderful
stuff. I appreciate it very very
much but my back just isn't that
strong. Since I have the rain
jacket & the new poncho I don't
need anything more except canned
food. You really know how to
pack some good stuff in your

packages.

The problem is they don't bring us mail for 3 or 4 days and then they bring it all — bang here 20 letters and 6-10 lb packages.

You know how to pack good magazines too. That Playboy went over great with the guys.

Right now I am back in Pleiku on a stand down. We are leaving again ^{tomorrow}. We are going to secure a new fire base and build it up.

Love
Bob
