Dear Mom + Dad

We moved to another night logger today. We are going to get re-supply again tomorrow. I've heard of going on a campout but this is ridiculous.

I am now platoon sergeant. Our old platoon sergeant ~~and~~ went in (to the rear) the day before yesterday. Lt. Brosowski made me platoon sergeant. The old one will be in for at least 30 days if not for good. If he comes back out I will be a squad leader again.

Anyway the Lt. said he ~~was going~~ is going to put me in for promotion to Staff Sergeant E-6. I don't know if I have enough time in grade as E-5 but when I get E-6 it will mean about \$40 more I can send home every month.

Time does go pretty fast over here. In just 7 days I get paid again. I hope time keeps going fast.

I sent another roll of film home a couple days ago. I don't think all the pictures will turn out but most of them will.

When you send me letters put a couple of the pictures in them, then after I see them I will mail them back home. Pre sweetened Kool Aid is always nice too. I already got one package of Kool Aid from you in a letter.

I got a letter from Aunt Margie, could you send me her address so I can write back.

Well, I will mail this when we get resupply tomorrow

Love Bob
