Dear Mom & Dad

I got some good news. My platoon leader put me in for Staff Sergeant E-6 today. It will probably be about a month before I get it.

Today my platoon went down to a river and went swimming. We had a ball, I got some pictures too.

We got resupply yesterday and that included mail. I got peanut brittle from Aunt Shirley and socks and pears from you. I don't know how much longer we will be out in the boonies but I hope not too much longer.

Did you get that second roll of film?

I had better finish so I can mail this. Love Bob (OVER)

PS.

I just missed my chopper again so I can't mail this today.

That burns me up. Now I don't know when I can mail it.

I got one letter out to Nancy today but I guess I just didn't write fast enough on this one. The last chopper just took off.

Oh well, I'll try and mail it some other time.
