Dear Mom,

The package I got yesterday had ~~25~~
#15 on it. It seems like I get the packages
but not in the right order, because I got this
one today. I mailed the self addressed
envelope home yesterday too. I wrote a letter
in it.

Well, since yesterday nothing new has
happened so I guess I will end here.

Love
Bob

P.S. They send the old type beer can out here
and not too many guys have church keys.

HINT.
