

# 17

I'M GETTING USED TO IT...  
BUT IT'S STILL A LITTLE HARD  
TO SIT DOWN!

Sat July 13, 1968

Dear Bob,  
When you send this  
back put the date on so I  
know when you received  
it. Please.

27 July 68

I have been getting your packages  
quite regular. It has been at least  
a week since the last one but at  
least they are coming in order. I am  
glad you sent socks. These have been  
wet for 3 days.

I am still in the same place. We  
are just outside of a town called  
Ban Me Thout. I like it here  
except yesterday we had a little  
unfriendly contact. ~~There~~ ~~was~~ ~~no~~

We called in artillery on them all day. It was raining, and all in all, I think they had a miserable day. I don't think they will be back for awhile.

Well, so much for now. If anything else interesting happens I will write and let you know.

Love  
Bob
