

23 July 68

Dear Mom + Dad,

I am still in the same place. I have been here 4 days now. I hope we stay a little longer. We find up a shower here.

This is the 3rd letter in 3 days I have written.

Could you possibly send me ~~the~~ the picture of Wexie's motorcycle + a picture of my 58 Chevy and a picture of the engine. All the pictures are in my room. I bought a picture album from a little Vietnamese girl. I got the picture of Mom, Val + the goose. I want those pictures to show to my buddies.

I can't think of too much else to say. Nothing ever happens except for digging holes, filling sandbags and putting out bar wire. Right after we get this place finished we will probably move. That is what always happens.

Love
Bob

I just got your letter. He, I don't have a band aid under my nose. The instant milk was great.
