

19 SEPT 68

Dear Mom + Dad,

This is about the 3rd letter I have started in 2 weeks. We have been moving so much I haven't had a chance to mail anything before it gets soaked.

I am located by a small town called Due LAP. Right now I am due west of Cam Rahn Bay, 4 clicks from Cambodia. That is about a 2 hour walk. Tomorrow night we will be set up 500 meters from Cambodia.

Yesterday we came through a French coffee plantation. That is the first place since I have been over here that looked like a nice house. At one time it had electricity, running water and even a stateside bathroom. All the windows were shot out and the whole place was shot full of holes. I got a few pictures to send home also.

I recieved a couple more packages.
The last one was #31. That Cold Duck
was good but it didn't last 5 minutes.

I need another towel + a flashlight. A
chopper came in and blew the other towel
away and I never did find it.

This letter should just about bring
you up to date on my activities.

I am going to write a short letter
to Nancy today if I get a chance.

Right now the reason I know I
can mail this is because we are
just sitting here waiting for a chopper.

Well, I will write again the next
chance I get.

Love
Bob
